

# IDPA-STYLE DEFENSIVE PISTOL SHOOT

Rockford Sportsman's Club  
11115 Northland Drive NE, Rockford, MI 49341

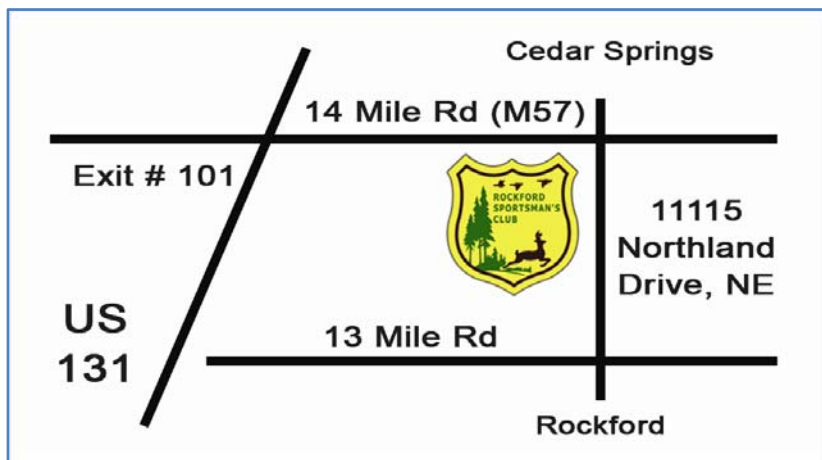

The Rockford Sportsman's Club defensive pistol events are designed to provide practical experience with concealed carry handguns in a fun and safe environment. You can expect to use your weak hand, shoot while moving, reload behind cover, and engage multiple targets in tactical priority, all in usually less than 60 seconds. These have always been exciting and humbling shoots for our participants. The popularity of these shoots has brought shooters of all experience levels to participate. This will be an introductory group at each event for shooters that are new to defensive style shooting or for those that are looking for more hands on experience and mentoring.

All of the defensive pistol shoots will reinforce general safety rules, trigger and muzzle discipline, drawing from a holster, shooting while moving, reloading, reholstering, handling of malfunctions and the proper/safe use of both handheld and weapon mounted flashlights (during night shoots only).

Cost will be \$8 for club members and \$10 for guests.
