

ROCKFORD SPORTSMAN'S CLUB

CMP JANUARY SNIPER FUN SHOOT

The RCS CMP group will host a Special Sniper Fun Shoot on January 23, 2016. The Fun Shoot will commence at 1000 hours on the RCS 200 yard range. Format, classing and special rules are as follows:

Format: A relay will consist of four (4) shots for score at **200 yds.** (Because we are emphasizing "cold bore" shooting, NO PRELIMINARY SIGHTER ROUNDS MAY BE FIRED.) A shooter may enter multiple relays. One shot will be made on each of four (4) targets. Shooters will have 3 minutes to make their four (4) shots. All shots will be from prone position with or without rest, ie., bipod, sand bag, improvised rest or tripod rest.

Classing: HB class – Shooters entering a relay with a Heavy barrel/Varmint/Tactical rifle (including heavy "Bull" barreled AR-15's will be classed as HB. A AR-15 will be considered "heavy barreled" if the barrel measures more than .750" immediately in front of the gas block/front sight.

SB Class – Shooters entering a relay with a Standard Barrel/Sporter/Military rifle will be classed as SB.

Rifle: Shooters may enter a relay with a rifle of any action type, any caliber (including rimfire), with or without telescopic sights. Please, no full benchrest rifles or centerfire magnum calibers. Acceptability and/or Classification of any equipment will be determined by the Match Director.

Scopes: limited to maximum of 10 power.

Targets: HB will shoot a target with a 1 MOA bull. (~2" dia)

SB will shoot a target with a 2 MOA bull. (~4" dia)

Scoring will be as noted on targets. Targets shall be shot in numerical order. Target one (1), first shot, is scored higher than shots 2 – 4. A premium is granted for the cold bore shot.

(Sample targets for each class are attached.)

Ties will be cleared by shoot off. If a second shoot off is required the target scoring will be changed to require that a bullet hole, to be scored as a center shot, must not touch the line.

Fees: Each relay entry fee is \$4.00. \$1.00 of each relay entry fee will be paid out to the winner of that relay. Additionally, each shooter may pay an additional \$1.00 per

relay, which will be accumulated separately and paid out to the shooter with the highest cumulative score in their respective class.

Special Rules and Safety: All activities on the range will be under the supervision and control of a Range Officer. The Range Officer will conduct a safety briefing prior to beginning the first relay of the day and at such other times as is deemed appropriate.

Any accidental or intentional discharge striking within 25 yards of the firing line, striking the overhead baffles or passing over the berm will result in disqualification from the match.

Rifles must remain cased until the shooter's relay is called to the firing line. A chamber flag must be inserted whenever an rifle is removed from its case, whether racked or on the firing line, and may be removed only as directed by the Range Officer.
