The Ram Nitro Shotgun Team is the Rockford High School Competitive Trap and Skeet Shooting Club. The team's home club is the Rockford Sportsman's Club. Ram Nitro competes in the Scholastic Clay Target Program (SCTP). The team is open to students enrolled in Rockford Public Schools (grades 7-12). If you are interested in joining the team in 2020, please attend this information meeting.

The meeting will cover equipment requirements, season schedule (generally Feb. – June), events available for competition, team costs, training opportunities and required safety gear. Each team member must have their own shotgun to compete.

Team members compete in a division based on their school grade & ability. Varsity Grades 9-12; JV Grades 9-12; Intermediate Grades 7-8. Ram Nitro members can participate in the following disciplines:

American Skeet, American Trap, Sporting Clays, Olympic Skeet, Olympic Trap

The program is open to students both new and experienced in clay target sports. Students that want to learn are welcome (you will need your own shotgun). Coaches are certified instructors.

If you have program questions, please call Gordon Pickerd at (616) 401-1862 or Kevin Freeman (616) 283-4201.
