February 2016 Newsletter

The hope is that you are finding the winter weather sort of mild. It looks like the ice fishing and outdoor snow activities can begin. Even with the temperature in the low teens on several nights the trap and skeet shooters have been participating in large numbers. The leagues and open shooting have increased significantly over the previous years. The Rockford High School group is strong and well represented.

Coming March 1 to May 31 will host a regional handgun competition sponsored by the Outdoor Channel. We are providing two lanes for pistol shoots Tuesday and Fridays from 1 pm to 6 pm. This will provide a convenient location for our club shooters to enter a preliminary event to pre-qualify for State and National Events as they unfold later in the year. More information will be available in early February. This event will not interfere with our membership using the ranges at any time. We will need club volunteers available as a range officer when competitors are scheduled to shoot. Exact times in the Tuesday\Friday availability are yet to be determined, however if you can help with this program please contact the writer until there is a chairperson on board. Our contract with the Outdoor Channel gives them exclusive rights to any filming or promotion of the event. They will be furnishing all shooting targets and advertising information. The club will charge for range time for each participant.

The Bella Vista Church is having a Sportsman's Night on Saturday February 20, 2016. Several additional churches are participating in the sponsorship for the wild game dinner with four seminar speakers. Tickets and information are on the web at BVCEVENTS.org. The tickets on line are \$11.54 and \$6. 24 however they can be purchased at the sponsoring churches for \$10 and \$5. Tim Hall also has tickets and he is working to set up a Rockford Sportsman's Club table along with other vendors at the program.

The MUCC youth camp information just arrived. A chairperson is needed to coordinate applications. MUCC is suggesting early requests to obtain preferred dates. The camp info will be available on the sign-in table at the February regular membership meeting.

We have several new members as noted in the meeting and board minutes. Take a moment to say hello and welcome. Invite them to join any of the activities of your interest.

Hope to see you at the club.

George
