#### Newsletter September 2017

Like it or not summer activities are blending into Fall hunting, fishing and color tours. The upper parking lot has been graded and 3 trees removed for the black topping in the next few months.

Another reminder that shooting of paper targets are the only ones approved to shoot unless it is a special event where other targets are authorized. Shooting Sports magazine recently had an article where a club member ( Not Rockford) had to be suspended for 3 months for violating club safety rules. (shooting objects on the turf that contained stones and allowed a ricochet of bullets)

August has already been a busy month with cowboy action events and Skeet NSSA. In addition Rockford was the host for the North Kent Round Robin. There were 130 shooters that took part in shooting one skeet line and one trap line. The last round robin shoot is in September which will be concluded with another shoot and banquet dinner with top shooter and club recognition.

The major event in August was the State Games of America. This was a Friday and Saturday shoot for skeet with 21 entries and a Sunday 22 rifle bench shoot with 34 participants. Many kids in the 13 and under age group were present for the 22 rifle event as was a good representation of the over 50 group. All in all it was a very successful weekend with great volunteer group for both events. The Sate Games of Michigan provided pizza lunch on Saturday and Subway lunch on Sunday for the workers. State game shirts were also given to the RSC workers.

Dan Vincent has been working hard on the landscaping equipment for the two-day NSSA shoot. Total number of shooter is not yet established but the weather is forecasted on the very nice side so we should see a good turn out.

On the skeet scene a five-man team is going to the US skeet open in Northbrook Illinois on September 8 through the 10<sup>th</sup>. Representing Rockford will be Dan Hankinson, Lee J Christiansen, George Mayhak and Bill Brown. The US open is held at various locations around the United States and this is the closest since 2008 near St. Louis.

The cowboy state shoot is coming up the first Saturday in September. Check with Bob Drury for details.

Our next meeting is the day after Labor Day. Here's wishing everyone a nice holiday. See you at the club or meeting time.

#### Ram Nitro Shooting Team Wraps Up Season at State Shoot

The Ram Nitro high School Trap & Skeet Team has wrapped up their inaugural season, and by all accounts, it was a smashing success. The team started the year with 7 shooters, and finished with 9 (adding two team members during the season). The team was recognized as a school club sport at Rockford High School, allowing kids the opportunity to earn school letters in shooting.

Understanding the financial challenges that shooting teams can face, Ram Nitro also started a Midway Foundation endowment to help fund the shooting team in the future. The team has grown the account to over \$12,000 in the first 6-months, and also gained a seat on the Rockford Sports Boosters Club. The team just received its first endowment grant payment of \$526 to help offset team expenses in 2018. These funds will be used to offset tournament registration fees and to encourage kids participation. The long-term goal is to provide any youth, regardless of financial ability, the opportunity to be part of a shooting team if they are willing to work to support team goals and safety standards.

The team is looking for businesses interested in being a 2018 team sponsor. Business providing team sponsorships will have their logos displayed on the back of the team shooting shirts in 2018, along with a logo being prominently displayed on a team banner. Interested sponsors should contact Gordon Pickerd at the club.
