Presidents' letter June 2018

Lots of spring events starting as we move out of the winter weather. At least it will be more comfortable for the sports that were active all winter long.

Welcome to all the new members who have joined over the past few months. To become an active member please be encouraged to participate in some of the shooting and project events. This will help you to become acquainted with many of our great and friendly members. With over 300 members sometimes we don't recognize new members so not to be offended just introduce yourself and you will find a friendly welcome.

For the gardeners in the club the Zucchini contest is in full swing. If you have a garden or a small spot to put in a plant, let a zucchini grow until the August meeting and the largest submitted will win a prize and the honor of being the 2018 Zucchini grower of the year.

We still have another month to go for the turkey and fish contest submissions for the second quarter.

A picture with a ruler showing is all that is needed to enter. Fish in many categories are based on length for judging. Turkeys are based on a total of beard length and spur lengths. This is a fun contest with cash prizes.

Members who have any comments or suggestions for the club are invited to submit a written note to the board for consideration. The board meeting is the third Tuesday of each month.

While we have many members help out each month a special thank you goes to Bill Plambeck for much needed improvements in the kitchen, sinks, faucets, washers and a thorough cleaning.

We will be hosting the Meijer State games of Michigan shooting sports (skeet & 22 rifle) games on June 23 and 24th. If you sign up through the state games of Michigan web site there are specific time slots or you can enter the day of the event in any available times. Volunteers are needed for running the events, so contact George Mayhak if you can help.

Have a nice summer,

George

Membership Meeting Minutes May 1, 2018
Call to order at 7:15 P.M.
