June 2021

Presidents Article

Welcome to summer! Like everything in life, we're extremely busy at RSC through the summer months. Everyone's shoot schedule is in full swing and appear to be operating like we were a couple years ago. We have one more month of masks and hopefully they are gone for good. As a reminder we are a masked facility though the month of June Unless the state says otherwise.

If you've been to the club recently, you'll notice the new gate is under way. Dan Vincent and Steve Mitchell with the help of others have been working at installing our new aluminum entry gate. The new gate will be much easier to operate, easier to plow around and also opens up the option to motorize the entry in the future.

The North Kent Round Robin is coming to Rockford June 17th from 4-9 and June 20th from 10-3. We will see 150 Skeet and trap shooters in the two day period. If you need workhours or would just like to help out, come on up and help pull lines. All other ranges remain open while we are shooting.

Spring skeet and Trap league is coming to and end. Our turnout is low this year as spring league normally has a lower turnout compounded by the ammo shortage. If you haven't completed your ten lines, or would like to shoot another event, you will have through Thursday June 10th to do so.

Steve Gardener had a good turnout for the RCSA Shoot in May. The lack of ammo is one of the many influences that brought the numbers down but none the less there was a good turnout with a lot of happy shooters. I'm sure Steve will have more shoot results for us next month.

We will be hosting the Meijer State Games of Michigan again this year. The Skeet portion of the games will be held Saturday June 26th from 10-4 on skeet field One and Two. The Rimfire portion will be held Sunday June 27th on the 25/50 yard range from 10-4. The ranges used will be closed while we are using them or the State Games.

Don't forget to bring you fish and turkey pictures to the July Meeting.

Ryan
