CLUB BULLETIN BOARD

Treating Gunshot Injuries Class

The club is supporting a free class provided by Gary Dredge, a certified USCCA instructor, in the clubhouse on Monday September 13th at 7 PM. He will be providing an overview and practical exercises in assessment of injuries as well as 'hands on' use of first aid materials treating various types of injuries.

In order to provide adequate time for the 'hands on' training, the class will be limited to 6 to 8 members. If you are interested contact Gary.

Gary Dredge at fireflylodge@yahoo.com

Storage Trailer

In order to keep the grounds in top shape the club needs a large storage trailer, medium size would be OK, to hold some of the target stands used by the club shoots. If you are aware of someone with an unused trailer cheap, (free would be alright) please contact:

Scott Stanley at stanley908@hotmail.com

Volunteer Needed

Rockford Sportsman's Club annually holds the Rimfire Challenge, a Midwest regional competition, and is in need of a leader for next years match. The responsibility starts around February and runs through May. You would be organizing a volunteer team to ensure the competition goes off smoothly and safely. You and/or your volunteers get into scheduling, updating match documents, working with sponsors, computerized data collection and reporting to the RSC board and the Rimfire Challenge Shooting Association.

Past year's leadership has been provided by Steve Gardner. He has offered to support the new leader by sharing his experiences running the match and answering questions to ensure a smooth transition.

Should we be unable to find a volunteer to lead this activity we will not have a 2022 Rimfire Challenge along with the donation it provides for the Grand Rapids Veterans facility.

Please contact Ryan Cordes if you are interested.
